After that, don't forget to pair your portfolio with one of our top 100 InDesign resume templates.No time to scroll? Use this search bar to find the styles you prefer:Professional Architecture Portfolio Templates1. The Grey PaletteThe Grey PaletteA monochromatic paradise! In addition to the gray color palette, there is a practical layout, a clever picture placement, and an overall structure that will keep the reader engaged.2. Simplicity over EverythingSimplicity over EverythingSometimes less is more and this architecture portfolio template is here to prove that. The white space between the elements is used smartly and allows the accent to be put on the content. A portfolio should reflect skill and experience, to that end, this well-balanced template is perfect for any professional.3. Catalog Layout with Grey and Gold AccentsCatalog Layout with Grey and Gold AccentsThis template is exceptional because of its neat organization and classic combination of colors. Above all, its flawless structure will satisfy every perfectionist's needs.4. Black and White Portfolio LayoutBlack and White Portfolio LayoutPut your work in the best light with the help of this black and white architecture portfolio template. It has an effective layout, a simple design, and powerfully used white space.5. The Neutral ProwessThe Neutral ProwessMake your designs stand out with neutrality. This template maximizes the colors black, white, gray, and brown to bring out a minimalist aesthetic that's sure to please the eye. Format-wise, this style is a match for almost any design.6. The Modern EdgeThe Modern EdgeHighlight your edge with a modernist template. This allows you to present your designs with ample space for visuals. Moreover, it is readily editable to accommodate your text descriptions and images.7. Deep Into ContrastsDeep Into ContrastsDirecting the eyes to the focal points of images and texts, this portfolio uses just the right amount of contrasts between colors. Bring out the best in your designs with a minimalist yet stylish take using this template.8. Portfolio Layout with Grey AccentsPortfolio Layout with Grey AccentsDon't be afraid to show you are a rounded and knowledgeable architect with this simple, clean, and striking template with dominant grey accents.9. The Elegant Minimal LayoutThe Elegant Minimal LayoutElegance with a bit of an edge. That's what this unforgettable template has in store for you! The simple color palette, the professional appearance, and the striking layout all come together in an elegant design.10. The Structured PortfolioThe Structured PortfolioPresenting your work in a powerful and appealing way has never been easier. This template frames your text and photos with basic white backgrounds and bold headings.11. The dominance of the Pink and Blue AccentsThe dominance of the Pink and Blue AccentsThis template features: a landscape orientation, bold typography, and a wonderful color palette. Furthermore, the layout allows a neat organization for each project, a creative line element, and great text placement. Overall, it is a well thought-out template. 12. The Professional TemplateThe Professional TemplateSimplicity and professionalism over everything! This template stands out with its tasteful and uncluttered look. It's hard to find such an elegant and professional design amid all the different architecture portfolio templates.13. Just The Right LightJust The Right LightLet your portfolio pop with light colors without overpowering your designs. Use this template to showcase your work against just the right tones of blue, red, and yellow. At the same time, flip through a variety of layout options ready to hold and highlight your visuals.14. Simply StraightforwardSimply StraightforwardYour style will speak for itself with this simple and straightforward template. Avoid clutter and unwanted elements that might distract the eyes. No overwhelming texts and lines; just pure focus on your designs. Because that's what your portfolio is about, right?15. Plain White SpotlightPlain White SpotlightPlace the spotlight on your designs by keeping the plain white stride. Take the minimalist style with a template that's prevalent in text but rich in visuals, allowing you to achieve a neat and pleasing landscape portfolio.16. Bold Is BetterBold Is BetterStrike strong with deep blue and black hues to back your bold designs. Along with straightforward texts that help deliver your concepts neatly. Use this template to showcase your work in as easy as 1, 2, 3 — just place, edit, and print!17. The Grayscale SuperiorityThe Grayscale SuperiorityYou can never go wrong with black and white, especially when it comes to a dapper portfolio. With dark lines and font styles that complement the plain background, this template will surely give your designs the superiority they ought to have.18. Towards The VisualsTowards The VisualsSkip detours and direct the focus on your visuals with a foursquare portfolio. This template is space-rich for your images but does not compromise necessary texts. And with a grayscale base, the pages pop to a bright orange that will enhance your designs' appeal.19. More Black, More ImpactMore Black, More ImpactIf your stock is mostly black, a white portfolio with black and beige accents is your way to go. Use this template to flash the beauty of your concepts and designs with maximal impact thanks to the balanced arrangement of visuals and texts on every page.20. The White DominanceThe White DominancePresent your work under the perfect light — white! With this landscape portfolio template, you get the space your visuals need and the text styles that complement them. This way, your designs will hold the gaze of your readers with relaxed eyes.21. Skies For HeightsSkies For HeightsAchieve greater heights with a portfolio that perfectly showcases your designs. This landscape template has a blue undertone with yellow accents that give off a cooling appeal. Here's your best match, especially if your visuals are enhanced by skies.22. Foursquare FreedomFoursquare FreedomDeliver your concepts and ideas with a text-rich and visuals-dominant portfolio. Use this straightforward square template to present your designs on point while sharply laid out on plain pages. And feel free to customize the font styles, colors, and more!23. Neon PerfectionNeon PerfectionSet your neon visuals to flight with a portfolio that is boldly black and white. Customize this square template with your own images and texts to showcase your best designs against pitch black and pristine white fonts and backgrounds.24. All About ClarityAll About ClarityLay your designs and ideas straight to the point using this cleanly organized template. With blue and yellow accents, here's a portfolio that is sure to feature the best of your works. Make it your own by editing the texts and adding your images!25. Bright MillenniumBright MillenniumFocus on the bright side of your designs with this magazine-style template. Flip through pages of fun fonts and eye-catching visuals with yellow accents. All you have to do is edit the texts, add your images, and personalize the portfolio to your liking!26. Eyes On The BlackEyes On The BlackArrange your designs on black background and patterns that take contrast and focus to the next level. Best for images with defined lines and minimal light, this template will give you an edge when it comes to architecture portfolios.27. Minimalist White EleganceMinimalist White EleganceShowcase your work in a classy white portfolio that uses minimal texts, bold titles, and finely placed images. Achieve that neat look that never goes out of style by personalizing this template with your designs!28. Modern B&W SnapsModern B&W SnapsGive your portfolio a modern getup using this well-arranged template. More fitting to black and white images, this template features subtle blue and yellow accents to give your designs a mood lift. Just edit the texts and add your images, then it's ready for printing!29. Black To The FutureBlack To The FutureTop the portfolio game with an all-black attack. With grayish brown accents, this template gives a futuristic class that will make your designs appear top-notch. It's ready to hold your images and carry your texts in just a few clicks!30. Nature Meets StyleNature Meets StyleDive into the warm vibes of nature as you feature your designs using this simple yet stylish template. Don't fret about effectively placing your images and texts

Because the layout is all ready to present you work. Just place and print!31. Pale Green Photo AlbumPale Green Photo AlbumMean't more as print album, this InDesign template is just a few customizing clicks away from an architect portfolio. It has a rather impressive design that allows you to make a powerful presentation of your work. All in all, it's definitely worth your time!32. The Orange AccentsThe Orange AccentsThis template has: versatile A4 spreads, interesting colors, customizable elements, and practical sections. Minimal and simple yet effective and user-friendly.Architecture presentation templates33. The Black EleganceThe Black EleganceUnlike most classic portfolios, this template has a black background. This seemingly small detail adds sophistication and elegance. Choose this template and take your content to another level. 34. The Elegant Portfolio LayoutThe Elegant Portfolio LayoutThis template shines with simplicity and elegance. The images take the spotlight, while the text placement is limited. The color palette is basic. Its overall feel is very polished.35. Subtle SophisticationSubtle SophisticationGo for a clean but sophisticated look by using this square portfolio template. It is composed of mostly white pages with subtle blues and grays. Play with the palette and choose the best tones to complement your designs.36. Dark Blue and White Landscape Book LayoutDark Blue and White Landscape Book LayoutWell structured and versatile with an elegant choice of colors. This InDesign template is the superior tool you need to visually showcase your experience.37. Landscape Portfolio LayoutLandscape Portfolio LayoutIn a profession that revolves around aesthetics, a sleek visual presentation of yourself is necessary. This portfolio provides that and more: versatile layouts, great picture placement, carefully-placed text, and creative circle elements. In other words, for all other architecture portfolio templates, this is the one to beat!38. Grey Photo Album Magazine LayoutGrey Photo Album Magazine LayoutSubtle, delicate, and detailed. Structured, convenient, and easy to customize. Choosing this template means showing your work in an efficient and straightforward way.39. The High-Class Architecture PortfolioThe High-Class Architecture PortfolioChoose this template and play it safe! With its polished appearance and powerful presentation, you will keep your readers engaged.40. The Unique Landscape DesignThe Unique Landscape DesignThis design is innovative and unconventional. Its unique picture element really stands out. Each page allows you to tell your story and your creative process, from the idea and primary sketches to the final execution.41. Visuals Dominant PortfolioVisuals Dominant PortfolioInstead of long paragraphs and complicated explanations, let the images, renderings, drawings, and diagrams speak for themselves. This template will allow you to do just that: visually present your experience and your work in a professional and powerful way.42. Square Architecture PortfolioSquare Architecture PortfolioMinimalist, chic, and elegant at the same time. This architecture portfolio template will impress you with its simple yet effective design.43. The Colorful CombinationThe Colorful CombinationWhat makes this layout unique and eye-catching is its striking color palette. Dare to go where few other architecture portfolio templates have gone before!44. Landscape Portfolio Layout with Bright ColorsLandscape Portfolio Layout with Bright ColorsRedefine the classic portfolio. This template's bright and refreshing color palette and its neat layout really make it stand out. It's the right choice for any professional ready for success.45. Graceful LayoutGraceful LayoutMinimalism goes often hand in hand with architecture. For instance, in this InDesign Template. The pages are simple, the text placement is limited, and the colors are in greyscale. However, the layout is versatile, stylish and timeless.46. Minimalist Portfolio LayoutMinimalist Portfolio LayoutAre you looking for a layout that will allow you to display your sketches, images, renderings, drawings, graphs, and diagrams in a simple and uncluttered way? Click on this template and your search will be over.47. The Creative StructureThe Creative StructureWhat makes this template unique is the creative picture element on every page, though the pages themselves are versatile. The different projects can be neatly organized, the headlines are bold and clear, and the typographic style is easy to read.48. The Refreshing Portfolio DesignThe Refreshing Portfolio DesignThis InDesign template will win you over with its refreshing design and overall layout. The content is easy to read, the picture placement is appealing, and, above all, it allows you to tell your story at a glance.49. The User-Friendly Portfolio LayoutThe User-Friendly Portfolio LayoutThis template is outstanding thanks to its user-friendly layout. The overall design is uncomplicated and easy to understand, the colors are basic, and it has everything you could ever need.50. The Subtle Artsy LayoutThe Subtle Artsy LayoutContemporary and edgy, this template has bold typography, plenty of picture placeholders, and a lot of space for text. Explain who you are in a modern and artistic way.Find your favorite templateWe carefully curated all the templates you can find in this list.
